PROBLEM STATEMENT

A normal paper resume is plain and limited in design, which makes it hard to show creativity and stand out. To solve this, I created a digital resume that presents my personal details, skills, education, and projects in a clear, attractive, and easily accessible way.

PROJECT OVERVIEW

The project focuses on developing a DigitalPortfolio Website to showcase personal details, academic background, technical skills, and project work. The portfolio emphasizes user-friendly design, responsive layout, and interactive elements, enabling viewers to navigate easily and understand the profile.

WHO ARE THE END USERS?

1. Students & Professionals - To showcase their skills and achievements.
2. Recruiters & Employers - To evaluate candidates' capabilities beyond a traditional resume.
3. Academic Institutions - For student project submissions and evaluations.

TOOLS AND TECHNIQUES

Front-end: HTML, CSS, JavaScript.
Version Control: GitHub
Design Tools: Canva(for layout design)

POTFOLIO DESIGN AND LAYOUT

Home page: Introduction and Banner Section.
About Section: Personal Details, Academic Profile.
Skills Section: Technical expertise and Skills.
Contect Section: Address, email and phone number.
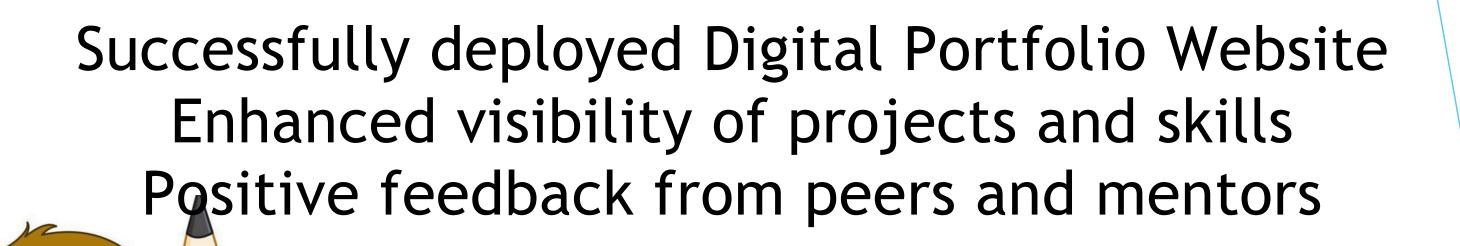

FEATURES AND FUNCTIONALITY

Provides a clear and organized structure for personal, academic, and professional details.
Interactive navigation with responsive design.
Accessible anytime and anywhere in digital format.
Compatible across devices such as laptops, tablets, and smartphones.
Contact form for direct communication.

RESULTS AND SCREENSHOTS

Successfully deployed Digital Portfolio Website
Enhanced visibility of projects and skills
Positive feedback from peers and mentors

Hello There!

There live the blind texts far from the countries Vokalia and Consonantia, there live the blind texts. Separated they live in bookmarksgrove there live the blind texts far from the countries.

Far far away, behind the word mountains, Quos quia provident consequuntur culpa facere ratione maxime commodi voluptates id repellat velit eaque aspernatur expedita. Possimus itaque adipisci there live the blind texts from the countries Vokalia and Consonantia, there live the blind texts.
